

## Committed to Quality Since 1930

As a member of the Quality First program through the American Association of Homes and Services for the Aging (AAHSA), we are committed to excellence in our field. We provide compassionate care for all of our residents to optimize a life of dignity and physical well being.

Today the Lutheran Home and Rehabilitation Center is a state-of-the-art facility that accommodates the wide spectrum of health care needs of the community.

We understand that the transition from home to a skilled nursing facility can be an emotional process. The caring

professionals on our admissions team will work with families and their loved one to make this change as smooth as possible.

You will feel confident and assured that the Lutheran Home and Rehabilitation Center is a place that truly touches lives through faith and caring.

*“Living at the Lutheran Home & Rehabilitation Center has allowed me to enjoy a greater quality of life. I have maintained my relationships with my friends and family, and there are so many wonderful community activities for me to participate in!”*

*“I was pleasantly surprised to find that the rehabilitation services that I found here were of the same professional quality as those in the hospital. My recovery was quick and comfortable at the Lutheran Home & Rehabilitation Center. What a great experience!”*

The Lutheran Home & Rehabilitation Center provides services to all persons who would benefit from the programs that we offer without regard to race, nationality, religious beliefs or financial status.

## Touching Lives Through Faith and Caring

## Who We Are

When it comes to finding the right place for elderly loved ones to live, families want the best. They want a place where they know their family members will be cared for by knowledgeable medical professionals and will be treated with compassion and love. Our mission at the Lutheran Home and Rehabilitation Center is to provide personalized, quality care for our residents.

The Lutheran Home and Rehabilitation Center, one of the largest private, non-profit long-term care facilities in Western New York, is a 254-bed skilled nursing facility licensed by the New York State Department of Health. We are a modern, totally air-conditioned facility with private and semi-private accommodations. Our facility has a strong connection to the community and has won many awards for its programs.

## Our Services

The Lutheran Home and Rehabilitation Center is recognized for its advanced level of clinical and rehabilitation services.

*In addition to skilled nursing care, we also provide the highest level of specialized services available in a nursing home today:*

- Dialysis
- Advanced skin and wound care
- Respiratory care
- Services for bariatric persons
- Parenteral nutrition
- Intravenous medication and feedings
- Post-stroke rehabilitation
- Post-surgical rehabilitation
- Dementia care
- Hospice Care
- Pain management

## Expanded Rehabilitation Services

The rehabilitation services at the Lutheran Home & Rehabilitation Center are comprised of a dynamic team of physical and occupational therapists and a speech language pathologist.

Our rehabilitation services are geared to help with resident therapy and are open to individuals in the community who are recovering from surgery or need continued outpatient therapy.

Our rehabilitation center features the only advanced aquatic therapy pool in Chautauqua County, the HydroWorx 2000. This state-of-the-art therapy pool staffed by certified specialists allows for earlier recovery for those who have had surgery or injury, or who have arthritis or chronic pain.
