

As one walks along the pathway, it is like taking a step back in time as we remember each person. When spring is upon us, the bricks are placed in the pathway, and in June we hold a "brick tea" to dedicate all the new bricks. All proceeds from the gift brick program are used to benefit the people we serve at LSS.

*Please consider becoming a part of Sheldon Court by honoring a loved one with a gift brick.*

You may be interested to know that Lutheran Social Services has a gift brick program where you can purchase a brick with your personal inscription in memory of or in honor of a loved one. It will be placed in the beautiful brick pathway in Sheldon Court in the Lutheran Home and Rehabilitation Center. The cost of each brick is \$75. You are welcome to come in and choose your own special location in the pathway if you wish. If you would like more than one brick, we can make sure all the bricks are placed together.

The serene brick pathway is located in Sheldon Court between units A1 and B1, and it now has well over 500 special bricks.
