

Worry Free Living at its Best

Hultquist Place is a New York State Assisted Living Program that gives seniors access to many different services, so they can stay healthier, more active and independent. Located on the beautiful Lutheran Social Services campus, Hultquist Place offers a worry free lifestyle with the warm and intimate feeling of 'home'.

The views on campus and of the nearby hillsides are spectacular, as are the lush gardens and pleasant outdoor spaces. Heated walkways lead to the main entrance area to prevent slippery ice conditions in the cold weather. The new modern facility features both spacious and cozy units, based on the needs of each individual. The suites are partially furnished and can be individually temperature controlled.
