## Your Support Helps

The Touching Lives Club honors your total annual giving in support of our residents and patients at Lutheran Social Services.

The Touching Lives Club was created in 2007. It is the flagship fundraising effort in support of all the programs of Lutheran Social Services.

LSS began in 1886 as an orphanage for Swedish Lutheran children.

In 1930, we added the Lutheran Retirement Home. Since that time, we have evolved and grown significantly to meet the needs of the entire community.

Your thoughtful support helps to meet essential needs to ensure the best of care for all our residents and patients. Your gifts are so greatly appreciated! You definitely make a difference!

Gifts to the Touching Lives Club can be made in honor of or in memory of loved ones and can be designated to any of our programs.
